

Chubb Safes, the leading brand name in safe equipment, have developed the stylish Black Box range of Safes.

Specifically designed for the domestic and small business markets, the Black Box range offers affordable theft & fire protection, without compromising the traditional quality & reliability inherent in any Chubb Safes product.

...HER LATE MOTHER'S WEDDING RING!

Chubbsafes
Quality where it counts

SOME TREASURES ARE just too PRICELESS!

Whether it's a valued sentimental gift or important documentation, installing a Black Box by Chubb Safes means you can rest assured knowing all treasures large or small are safe and secure against fire and theft.

Every Black Box comes complete with installation instructions and fixing kit.
